AI will change the world. Who will change AI?

Join us at Boston University AI4ALL summer camp to make an impact through Artificial Intelligence (AI)

AI4ALL runs from 9:00-4:00 (M-F) July 23-August 10, 2018.

Open to young women in the 10th and 11th grade from the Boston area. Students from under represented groups are encouraged to apply.

Get hands-on experience with computer science and artificial intelligence. No prior experience necessary.
