While we are only at the start of March, now is the time to start thinking about summer opportunities. Below is information about applying to Camp Harborview which is now accepting applications for their summer program. Camp Harborview is located on Long Island in Boston Harbor. There are two four-week sessions, but students can only attend one of the two sessions. In addition to a day of outdoor activities, including swimming and sailing, students receive three meals a day, and have opportunities to build leadership skills.

For more information and to apply for Camp Harborview this summer, please go to their site at the following link: [http://campharborview.org/contact/applications-and-forms/](http://campharborview.org/contact/applications-and-forms/)

On Saturday, March 28th, there is a summer learning and summer job fair at the Reggie Lewis Center. Two fliers for this important event are on the next two pages of this newsletter. This is a great opportunity to learn about different summer learning, enrichment, and job opportunities available throughout Boston.

Also included in this newsletter is information about the Boston Green Team. This job opportunity is available to 15-18 year olds, and the application is available now – due by April 5th. Information on the job, how to get more information, and how to apply is available on the flier found on page four of this newsletter.

As more job opportunities become available, we will send them out via e-mail. They will be included in future newsletters, but may also be sent as separate messages. Please watch for more information in the coming weeks. If you have any questions about the opportunities included here, please don’t hesitate to contact us at 617 635-6437.

Congratulations to both the boys and girls basketball teams for making it to this year’s state tournament. Our boys played a great game against TechBoston last week, losing by one point on a free throw in the final seconds of the game. Our girls team made it to round two, playing Old Rochester Regional High School this past Saturday. The final score was 60-49 for Old Rochester. Congratulations to Ashley Serette who scores 16 points in the game, and to the entire girls team for their 19-4 record this season.

**New Mission Family Parent Council**

**Bingo Night**

**Friday March 20th 7-9:30 p.m.**

The Family Parent Council Bingo Night was such a success, a second night is planned for Friday March 20th. Details are available on the flier on the last page of this newsletter.
